MARAD has received an eligibility determination request. Further details about the requester's vessel and its proposed operations may be found in the determination request posted in the DOT docket as MARAD–2025–0059 at *https://www.regulations.gov.* Interested parties may comment on the undue adverse effect this action may have on U.S. vessel builders or coastwise trade businesses in the U.S. that employ U.S.-built vessels in those businesses. Comments should refer to the vessel name, state the commenter's interest in the request, and demonstrate, with supporting documentation, the undue adverse effect on U.S. vessel builders and coastwise trade businesses.

Description: Section 113 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the ''DFA'') (Pub. The information collected in 12 CFR 1310.20 from state and federal regulatory agencies and from nonbank financial companies will be used generally by the Council to carry out its duties under Title I of the Dodd-Frank Act. The collections of information in 12 CFR 1310.21, 1310.22, and 1310.23 provide an opportunity for a nonbank financial company to request a hearing or submit written materials to the Council concerning whether, in the company's view, material financial distress at the company, or the nature, scope, size, scale, concentration, interconnectedness, or mix of the activities of the company, could pose a threat to the financial stability of the United States.
